Class History

Twelve years ago, in the year of nineteen-hundred and forty-eight the minds of six year olds (about to encounter their first day of school life) were filled with skepticism and doubt.

As Freshmen, we began preparation for a garment that would be completed upon graduation. Into this garment would go all the assets and liabilities that prevailed before its completion. We began our process by cutting out the pattern. Our contributors were, Saundre Phillips, Phyllis Scott, Nancy Horton, Jessie Isbell, Mona Rae Dula, and Joan Ferguson (accompanist) were members of the choir, while Myrtle Holman, Cira Sutton, Linda Berry, Geraldine Dula, Lyle Horton, Dwight Perkins, Howard Patterson, Nancy Jones, and George Dixon, were members of the band.

Those indispensable stalwarts who recognized our talents and tried to situate each where we would be most successful were Mrs. B. J. Harbison and Mr. J. H. Jones.

As the year ended, each of us had contributed in his own way to the first process of cutting out our pattern for the future.

Having been invigorated by our summer vacation, we returned to school as sophomores with greater determination, ready to begin our second process on the garment. This was considered as the basting of our garment. Many were outstanding that year. Phyllis Scott, Jessie Isbell, and Joan Ferguson were officers of the N. H. A., while Samuel Patterson represented our class in the Student Council. Having nine players on the football team helped acquire great abilities for a winning team. The girl's varsity team was honored with ten of us.

During our stitching process, those who were outstanding in our class were Janet Harper, as vice-president of the Student Council and Jessie Isbell as C. S. C. and N. H. A. vice-president. Conscious of what good organization meant to a garment, we stressed scholastic ability. Among the most conspicuous were fifteen Juniors inducted into the Crown and Scepter Club. They were Maurean Icard, Phyllis Scott, Janet Harper, Nancy Horton, Lyle Horton, Samuel Patterson, Cira Sutton, Jessie Isbell, Georgia Suddreth, Saundra Phillips, Myrtle Holman, Phillip Dula, Richard Gaither, Florence Banner, and Joan Ferguson. We were represented over-whelmingly on Scholarship Day for having made the first semester honor roll. Honor's Day found us outstanding too. Phillip Dula represented us by winning awards in French, Physics, Chemistry, and History. Twelve girls were chosen as Debutantes that year. They were Nancy Horton, Georgia Suddreth, Cira Sutton, Saundra Phillips, Myrtle Holman, Janet Harper, Phyllis Scott, Florence Banner, Maurean Icard, Jessie Isbell, and Joan Ferguson, who won the title of Caldwell County Princess to Miss Debutante. Our Junior-Senior prom which depicted the "Stork Club" climaxed our Junior was an occasion that we will long remember.

Now we are approaching the final phase of our garment, the last year of its completion. We shall call this the finished product. We have struggled almost four years to achieve the dignified and sophisticated satisfaction that accompanies a finished product.

A few finishing touches here and there will enable the class of "1960" to graduate with a perfect garment. As of now, we have Janet Harper as president of the Student Council, Lyle Horton, President of the Senior class, Jessie Isbell, President of the Crown and Scepter Club, Micheal Mills and Georgia Suddreth, Captains of the boy's and girl's varsity teams, Phyllis Scott, president of the choir, Cira Sutton, president of the band, Nancy Jones, president of the Library Club, Samuel Patterson, captain of the football team; and Nancy Horton, captain of the Pep Squad. With all of this leadership and willingness, we cannot fail to be successful tailors.

CLASS MOTTO

To the valiant heart, nothing is impossible.

CLASS POEM

Farewell! High School Days, Farewell!
The joys and cheers you brought,
Will follow us from day to day
and fill our hearts with thought
Although we will be gone.
But there's an awful lot you brought
Will always linger on.

The sounding bells the trampling feet,
The running to and fro,
And finally when day is done, an awful rush to go.
The sound of teachers counsels and the courage
that they give, in teaching us the right to do
and how to love and live.
The beauty of the things around,
the songs of birds and bees.
Oh! glory there above our heads
Awavering in the breeze.

These things so near and dear to us, so vivid in
our minds, remain a painted picture there, we must
not leave behind.
And how we schemed, and toiled and toiled to learn the
lessons taught; till finally we have achieved the honor
for which they sought.

Farewell! High School Days, Farewell!
tis very sad to leave,
But you were there to lead us on in all we have achieved.

Class Song

A long farewell to all our high school days,
Our aims are high-success is our goal,
School days are gone, and all the world is calling
"It's you! It's you!" A challenge to uphold.
"Go forth! Go forth!" Our wandering hearts are calling,
We must proceed from dear old Freedman High,
To the last venture of her devotion,
We pledge our faith, our hope, our love, and loyalty.

There is no dream so small we cannot make it
A lovely thing of blue and gold,
There is no hope so tiny but its glowing
Becomes a torch of faith forever more.
Farewell! Farewell! To all our parents and faculty,
Tis very sad, so very sad to leave,
You were there to lead us on to victory,
We must march on, assured to face reality.

Dear Milton,

You made it with your stubborn self, I am very glad and proud for you. I'll never forget all the grand times we had. They didn't seem to last but they were there. You are a wonderful guy and I hope you stay ^{that} way. You have been a very special friend and also like a brother ^{to} me.

What do you have planned for next year? I hope you decide to leave Lenoir. You would make a wonderful "Math" professor. We won't be together but I know we will remember each other. I'm praying that you continue to make yourself a great guy. You are a spoiled fellow.

Don't let your parents down please. They are two of the sweetest people I know. They are too sweet to be let down. I'll always remember you.

Love,
Phyllis
